9	Advance Learners Report	12
10	Sample Certificate	13

THE INSTITUTION ASSESSES THE LEARNING LEVELS OF THE STUDENTS AND ORGANIZES SPECIAL PROGRAMMES FOR ADVANCED LEARNERS AND SLOW LEARNERS

Nehru Institute of Engineering and Technology admits students through

- (i) Affiliated University (Anna University) counselling and
- (ii) Admission based on Merit list prepared by Consortium of Self Financing Engineering Colleges.

Therefore, the admitted students represent a combination of bright students and average students. To help them to cope up with the new learning environment, a number of measures are taken by the Institute for their betterment.

Library facility is available to all students and the learners of all categories are permitted to borrow the books from the library for effective preparation and to collect extra references for the content presentation in the Examination. Parents are invited in the middle of semester to interact with concerned Class advisors/ mentor and course handling faculty members to discuss the progress of their wards.

Mentor-mentee relationship is followed in our institution. The mentor, herewith called Class advisor has to maintain a Students' Record, to keep track of the records of the mentees. This is to help and to identify the slow learners as well as the advanced learners from each batch of each year and every course.

During the pandemic period slow learners were motivated and focused to concentrate on important questions in the entire respective subject and special hours were allotted through online mode.

Each type of students has different learning attitudes and learning habits. The objective of such assessment process of the learning levels of the students is

- To identify the factors affecting the student's performance.
- To analyze them with respect to the institutional framework.
- To provide a proper solution for improving their performance and to build a successful career after thorough identification and analysis of the students.

2. IDENTIFY SLOW AND ADVANCED LEARNERS

2.1 Student Information Form

Every faculty advisor/mentor maintains a Students' record

Following records are to be maintained by Class Advisor/mentor of each class:

- (i) Student Information record
- (ii) Marks Statement (Internal Assessment and University Exams)
- (iii) List of slow and advanced learners of their batch.
- (iv) Remedial measures are taken and details (circulars and notices)
- (v) Records of activities for both types of learners

2.2 Process to Identify Slow and Advanced Learners

The process of identifying slow and advanced learners is as shown in the table. All students of a particular batch are assessed on following parameters:

S.No.	Assessment Criteria
1.	Problem Solving Skills:
	Previous University Exam Score
	Class Tests
	Attendance
	Assignments and tutorial
2.	Other parameters:
	Ability to answer the questions in class
	General awareness
	Attentiveness

Based on above assessed parameters students are classified into groups:

- (i) Slow Learners
- (ii) Advanced Learners are those students who are ahead on the learning dimensions for the betterment in their life.

All the above details are provided by the concerned course handling faculty members.

3. INITIATIVES FOR ADVANCED AND SLOW LEARNERS

3.1 Advanced Learners:

The following Special activities are conducted for Advanced Learners:

- Bright and diligent students are motivated and inspired to get university ranks.
- Semester toppers and university rank holders are honoured with certificates and cash prizes.
- Encouraging to participate in various symposiums like quiz, poster presentation,
- Conferences, inter institution competition etc.
- Guiding the students for GATE/Competitive Examinations.
- Guiding and encouraging to publish/present research papers in conferences/Journals
- Training programs for gaining advanced technical knowledge.
- Guiding for career planning, Newgen IEDC Project and TNSCST Project competition.

3.2 Slow Learners:

The following activities are conducted for slow Learners:

- Remedial classes conducted for Slow Learners.
- Special Coaching class and Counseling is given to slow learners.
- Previous year Question papers and Question Banks for all subjects are circulated among slow learners.
- Students are given repeated practice on important questions.

Circular

Department of Science and Humanities

07/07/2021

All the faculty members are asked to submit the list of slow learners those who failed (below 50) in internal tests to the concerned class advisors for the special coaching classes that are planned to conduct from 08/07/2021 to 14/07/2021

Class advisors are requested to submit the consolidated slow learners **list** based on the Previous University Exam results, Internal Assessment, Attendance, Assignments/quizzes.

On the day of coaching classes, the faculties should,

1. Coach the important questions to the students and should conduct the class test.
2. Provide the supplementary study Materials.
3. Pay individual attention to the slow learners.
4. The Attendance should be submitted to the HoD after the coaching class.
5. Create ability in the students to answer the questions in class.
6. To create general awareness in students about their improved performance in academics.
7. To Increase attentiveness in class.

Slow Learner Report:

1. Conducted a coaching class after completion of the Internal III.
2. During coaching monitoring the students through the improvement.
3. Provided supplementary study materials and support system.
4. Paid individual attention through counselling based on the mentor report.

Impact Observed:

1. Weak Students performance was improved in the semester exam by clearing the papers.
2. The number of arrears of individual student is reduced
3. The students became eligible for the placement after clearing arrears.

ADVANCE LEARNER'S REPORT

Action Taken:

1. Motivated the students to participate in various event and activities.
2. Given the complex problems and assignments to enable them to enhance their problem-solving abilities.
3. Motivate the students to take the seminar in the class to improve the delivery method.
4. Encouraged the students to obtain the university ranks.
5. Guided them to enroll in the online courses like NPTEL, SWAYAM.

Impact Observed:

1. Increases in number of students participation in various contests.
2. Students has applied for the online courses.
3. Students are motivated for taking the Seminar in the classes.
4. Increases in number of students went for the internship.
