OUR VISION

To mould the youngsters to acquire sound knowledge in technical and scientific fields to face the future challenges by continuous upgradation of all resources and processes for the benefit of humanity as envisaged by our great leader Pandit Jawaharlal Nehru.

OUR MISSION

To build a strong centre of learning and research in engineering and technology
To facilitate the youth to learn and imbibe discipline, culture and spirituality
To produce quality engineers, dedicated scientists and leaders
To encourage entrepreneurship
To face the challenging needs of the global industries.
