

ABOUT OUR COLLEGE

Nehru Institute of Engineering and Technology, approved by AICTE, New Delhi and affiliated to Anna University, Chennai is established in the year 2006, under the able leadership of our founder Chairman, Shri.P.K.Das is now in its eleventh successful year and the institute is marching ahead towards achieving the vision and mission of our founder chairman under the guidance of our managing trustee Adv.Dr.P.Krishna Das, and our beloved CEO and Secretary Dr.P.Krishna Kumar. In its eleventh year of establishment, NIET has extended its wings and included in itself 6 undergraduate programmes and 5 master programmes, 3 in engineering along with MBA and MCA.

NIET is well equipped with excellent infrastructure, dedicated team of eminent faculty members and laboratories with modern facilities. NIET has become one of the pioneer institutions in engineering in the region. The Institute's main agenda is to achieve excellence in the field of technical education in order to satisfy the customers and society with the best talented technocrats from this temple of learning.

ABOUT THE DEPARTMENT

The Department of Aeronautical engineering was established in the year 2006. The department offers both UG and PG programmes in the field of Aeronautical Engineering. This Department is strengthened by 28 experienced faculty members and well equipped modern laboratories. Including three doctorates, more than seven faculties are undergoing research work in current technologies. The department has established research centre approved by Anna University, Chennai. Several funded projects are applied and under process for acceptance in various streams of Aeronautical Engineering by reputed organisations like DST, AICTE etc.

ABOUT THE CONFERENCE

The program is highly focused on the usefulness of faculties and Research scholars those who are willing to work and currently working in this research area. This topic being selected based on the current demands and issues. The resource persons are from reputed organizations of India.

FOCUS

Advanced Characterization methods
Computational Materials Science
Mechanical Behavior of Materials
Optical and Photonic Materials
Crystallography and Bonding Properties
Tribology and Surface Engineering
Transport Properties

CALL FOR PAPERS

Participants are requested to submit their research paper to the convener as an attachment to the e-mail address aeromatconf18@gmail.com in MS word format. Kindly ensure that all the attachments are virus free. Otherwise a hard copy of their research paper along with the copy of the same in CD Should be sent to the convener.
