Admission for the Institution is made as per the guidelines given by Tamilnadu Engineering Admissions, Anna University, and Chennai.

For an Academic year the admission of the students is carried out by following the norms and prescribed rules framed by the Anna University. Nehru Institute of Engineering and Technology is functioning with a total intake of 570 students per year.

Every year sixty five percent (65%) of seats will be admitted through Anna University Single window system which is also known as government quota. About 370 students will choose this institution by the single window system.

The management quota will be filled up by the twenty five percent (25%) seats by which the students from various parts of the country would join the institution.
